

# TRYOUT SCHEDULE

BOYS

GIRLS

## DEAR PLAYERS AND PARENTS,

I would like to invite you to the Northwest Nationals Premier soccer tryouts for the 2007 season.

The Northwest Nationals Soccer Club is about player development.

Our goal is to put players in an environment with age-appropriate curriculum so as to develop all aspects of their game: technical, tactical, psychological, and physical. Our club is for the select player that aspires to take their game to the highest level possible.

We are about helping youth players develop a high level of confidence in their soccer ability that will carry over positively into all aspects of their lives. We strive to provide them with the opportunity to ultimately play college soccer if that is their desire.

The quality of our coaching staff is outstanding. Nineteen of our coaches are former collegiate soccer players, and five are current college coaches. We take pride in providing all of our coaches with continuing coaching education.

Our coaches take pride in the positive atmospheres and rich learning environments they create on their teams.

Being a player for the Northwest Nationals is a great experience and we hope you will consider joining our club! If you have any questions regarding tryouts or select soccer in general, please feel free to e-mail us at northwestnationals@yahoo.com

SEE YOU AT TRYOUTS!

-Chuck Sekyra, Technical Director  
Northwest Nationals Soccer Club

**U-11** February 21, Wed. 5:00-6:30pm Edmonds Stadium  
February 25, Sun. 3:00-5:00pm Lynnwood HS

**THROUGH DEDICATION AND HARD WORK NW NATIONALS HAS DEVELOPED A SUCCESSFUL COMPETITIVE SOCCER PROGRAM WITHOUT COMPROMISING ITS BELIEFS.**

Since 1994 we have grown from 2 teams to 26 in 2007, providing competitive soccer for over 400 boys and girls. We are proud to:

- Provide a program where all players have the opportunity to play at the highest levels.
- Provide a program where coaches are encouraged to continually develop their skills.
- Provide players with a training program to develop strong technical and tactical skills.
- Help players learn the lessons of good sportsmanship, teamwork, health, and fitness.

**COACHES:** As the world's most popular sport continues to grab hold of our youth, the game of soccer has increasingly become more technical and tactically sophisticated. Our club has and continues to seek youth coaches who have passion for and an advanced understanding of the game, and who are willing to increase their soccer and coaching knowledge to keep pace with youth development needs. Emphasis at the younger age groups is placed on technical skill development with increasing tactical emphasis as players gain experience. Additionally, our coaching staff utilizes its combined efforts to insure that our players are exposed to the appropriate top levels of competition. At the older age groups, NWN places a priority on showcasing players to college programs and coaches. The common thread that runs through our coaching staff is a strong desire to develop each player to their highest potential; whether that is playing high school, college or at the professional level.

NWN follows WSYSA and US Club Soccer guidelines regarding recommended credential levels and risk management compliance. All of our existing coaches are either nationally or state licensed, or have equivalent experience. NWN coaches are continually working together to further coaching development plans.

**PLAYING TIME:** NWN does not believe that the best interest of a player, or of a team are in playing only the best 11 players. In order to align with our belief in developing strong players, we have provided guidelines to our coaches regarding playing time.

**COST AND COMMITMENT:** The time and financial commitment on a premier team are higher, but the rewards and advancement in athletic and personal development are greater as well. We do not discourage participation in other sports; we just ask that players use good time management and communication when other activities overlap. Since we believe all players should have the opportunity to play select soccer, we believe in a reasonable club fee to cover costs of club participation. Individual teams typically establish their budgets at the beginning of the soccer year. The age and playing level of a team are factors in establishing the budget, and therefore the actual budget will vary from team to team. The fees represent a complete year of soccer. To help alleviate the financial burden, each team is encourage to do fundraising.
